1. Leave Policy (§1)

InsurEdge provides paid leave to support employee wellbeing and statutory entitlements. Leave is credited at the start of each calendar year and is governed by the entitlement table below.

1.1 Leave Types and Entitlement

Leave Type	Annual Entitlement	Carry-Forward
Earned / Privilege Leave	18 days	Up to 30 days
Casual Leave	8 days	Nil
Sick Leave	12 days	Up to 6 days
Maternity Leave	26 weeks	Not applicable
Paternity Leave	10 days	Nil

1.2 Accrual and Encashment

Earned leave accrues at 1.5 days per completed month of service. Unused earned leave beyond the carry-forward cap is encashed at the basic-pay rate each March. Casual leave cannot be encashed or carried forward.

1.3 Application Procedure

All leave must be applied through the HRMS portal at least 3 working days in advance, except sick leave, which may be regularised within 2 days of return. Leave overlapping a public holiday is not counted against entitlement.

Manager approval is mandatory. Leave without approval is treated as Loss of Pay (LOP) and may attract action under the Code of Conduct (§3).

1.4 Frequently Asked Questions

Can leave be taken during the notice period? Earned leave may be adjusted against the notice period only with the manager's written consent; sick and casual leave cannot.

What happens to leave on separation? Accrued earned leave up to the carry-forward cap is encashed in the full-and-final settlement. Negative leave balances are recovered from dues.

2. Performance Review (§2)

Performance is reviewed twice a year to align individual goals with business objectives and to determine increments, promotions and development plans.

2.1 Review Cycle

The mid-year review (April–September) is developmental and carries no rating. The annual review (October–March) produces a final rating used for compensation decisions.

2.2 Rating Scale

Rating	Label	Outcome
5	Outstanding	Top increment band + promotion eligibility
4	Exceeds Expectations	Above-average increment
3	Meets Expectations	Standard increment
2	Needs Improvement	Placed on a 90-day PIP
1	Unsatisfactory	Formal performance proceedings

2.3 Performance Improvement Plan (PIP)

An employee rated 2 or below is placed on a 90-day PIP with weekly check-ins. Successful completion restores normal status; failure may lead to separation under §6 due process.

3. Code of Conduct (§3)

All employees must uphold the following standards. Breach of any clause may result in disciplinary action ranging from warning to termination, as set out in §6.

3.1 Core Conduct Rules
